Other Business:

The Board welcomed Ken Woods, Area Supervisor, to the Board Meeting to discuss inspection procedures. Mr. Woods summarized inspector territory, inspection techniques and reporting procedure. He stated that inspectors are always interested in learning the outcome of their inspection reports. Members found it helpful and expressed their appreciation for Mr. Woods to take time to provide his valuable insight.

The Board requested inspectors to verify delivery date and block ticket information of vehicles without Buyer Guides prior to issuing a violation.

In order to improve the feedback to the inspectors, the Board requested that a copy of the minutes be sent to the Enforcement Section.

Discussion was held on efforts to ensure that consumers had obtained title and tag on their vehicles after a complaint had been investigated and presented to the Board. The Board's concern is that, even though a dealer had been disciplined for failure to transfer title and process tag documentation, no effort is being made to ensure that the consumer received title and obtained tag. The Board office sends letters to complainants to advise them of the Board's decisions on their complaints. The Board office will add language to the letter to advise complainants to contact the Board, if they still do not have their titles and tags. The Board will review the results from the added language before making further decisions about reinspections.

Mr. Gantz made a motion to table the Inspection Citation decision for Cymill Motors Inc until block ticket information was received from the license holder.

Mr. Sanford seconded the motion. Motion carried.

Mr. Gantz made a motion to waive the Inspection Citation for Autoworks Inc.

Mr. Gantz made a motion to uphold the Inspection Citation for Atlanta Carland, Inc.

Mr. Sanford seconded the motion. Motion carried.

The Board denied the request from Nicholas Financial Inc. Send bond information to the consumer.

The Board reviewed and approved GIADA's request for Angela R. Dodgen to be an instructor for pre-licensing and continuing education for GIADA seminars.

The Board reviewed GIADA's request to change pre-licensing education hour requirements to 6-8 hours, instead of 4-6 hours. The Board felt no action was necessary. The Board will extend an invitation to Richard Rainwater of GIADA to attend a meeting in the future to discuss the issue.

The Board denied the request for the use of a broad band telephone for business.

Business telephone must be listed in the telephone directory, in order to provide all consumers with contact information.
